

LIST OF NON-RENEWED REGISTRATIONS

This notice is published under section 54 of the Agvet Codes. As foreshadowed on page 19 of the NRA Gazette No.6, 1 June 1999, registrants are advised that registration of the following 563 products was not renewed for 1999-2000 and accordingly the registration of the listed products ended on 30 June 1999.

It is an offence under Part 4 of the Agvet Codes for an importer or manufacturer to possess for the purposes of supply, or to supply, an unregistered chemical product in Australia.

However, the NRA has determined, pursuant to sections 75(1)(c)(ii) and 78(1)(c)(ii) of the Agvet Codes, that the following products may be sold at retail for a maximum of 1 year after the date on which registration ended.
