to the neck and wrist (or equivalent clothing), chemical resistant gloves and boots. Clothing must be laundered after each day's use.

PRECAUTION: hand weeding and transplanting of turf should not be performed 24 days after spray application unless wearing cotton overalls buttoned to the neck and wrist (or equivalent clothing), chemical resistant gloves and boots. Clothing must be laundered after each day's use.

Storage and disposal

Store in a locked room or place away from children, animals, food, feedstuffs, seed and fertilisers.

Safety directions

WARNING - Contains procymidone which causes birth defects in laboratory animals. Women of child bearing age should avoid contact with procymidone.

Very dangerous particularly the concentrate.

Poisonous if absorbed by skin contact or inhaled or swallowed. May irritate the eyes and skin. Avoid contact with eyes and skin. Do not inhale spray mist. When opening the container and preparing the product for use. Wear cotton overalls buttoned to the neck and wrist and a washable hat and elbow-length PVC gloves and disposable mist mask. After use and before eating, drinking or smoking, wash hands, arms and face thoroughly with soap and water. After each day's use, wash gloves and contaminated clothing.
