### Application Summaries

The APVMA publishes complete application summaries on the APVMA website ([http://www.apvma.gov.au/data\\_protection/appl\\_summaries.shtml](http://www.apvma.gov.au/data_protection/appl_summaries.shtml)). They are published in weekly instalments using the date the application was accepted for assessment. If an application summary has been amended, the APVMA will publish the amended version on the website and list it separately in the APVMA Gazette Notice for Application Summaries.

As a requirement of Regulations 8C and E of the Agvet Code, some product names will appear as 'NOT AVAILABLE'.

A summary will be removed from the website 28 days after the application has been finalised. Therefore, some summaries published in this notice may have already been removed prior to the Gazette being published.
