Veterinary Medicines Authority**

The *Agricultural and Veterinary Chemical Code Act 1994* (the Act) commenced on 15 March 1995. The Agricultural and Veterinary Chemicals Code (the Agvet Code) scheduled to the Act requires notices to be published in the *Gazette* containing details of the registration of agricultural and veterinary chemical products and other approvals granted by the Australian Pesticides and Veterinary Medicines Authority. The Agvet Code and related legislation also requires certain other notices to be published in the *Gazette*. A reference to Agvet Codes in this publication is a reference to the Agvet Code in each state and territory jurisdiction.

## **General information**

The APVMA Gazette is published fortnightly and contains details of the registration of agricultural and veterinary chemicals products and other approvals granted by the APVMA, notices as required by the Agricultural and Veterinary Chemicals Code (the Agvet Code) and related legislation and a range of regulatory material issued by the APVMA.

Pursuant to section 8J(1) of the Agvet Code, the APVMA has decided that it is unnecessary to publish details of applications made for the purpose of notifying minor variations to registration details. The APVMA will however report notifications activity in quarterly statistical reports.

## **Distribution and subscription**

The APVMA Gazette is published in electronic format only and is available from the [APVMA website](http://apvma.gov.au).

In accordance with section 45A(1)(b) of the Agvet Code, the APVMA publishes this notice of the cancellation, including the following instructions which set out how a person can deal with the cancelled active constituent, cancelled product or product bearing a cancelled label referred to in Table 8.

### Instructions

Instructions for persons who possess, have custody of or use the cancelled active constituent, cancelled product, or the product bearing a cancelled label under section 45B(3) of the Agvet Code.

A person who possesses, has custody of or uses the cancelled active constituent, cancelled product or product bearing a cancelled label referred to in Table 8 in accordance with the instructions contained in this notice, is taken to have been issued with a permit under section 45B(3) of the Agvet Code to possess, have custody of or use the cancelled active constituent, cancelled product or product bearing a cancelled label, in accordance with those instructions.

### Possession or custody

A person may possess the cancelled active constituent, cancelled product or product bearing a cancelled label referred to in Table 8 in accordance with its label instructions for 12 months from the date of cancellation.

## Use, supply or otherwise deal with

A person may use the cancelled active constituent, cancelled product or products bearing a cancelled label referred to in Table 8 according to its label instructions, including any conditions relating to shelf life or expiry date, for 12 months after the date of cancellation.

A person may supply or cause to be supplied at wholesale or retail level the cancelled active constituent, cancelled product, or product bearing a cancelled label referred to in Table 8, for 12 months after the date of cancellation.

## Contraventions

After the day that is 12 months from the date of cancellation it will be an offence against the Agvet Code to have possession or custody of the cancelled active constituents, cancelled products or products bearing a cancelled label with the intention to supply, or to supply the cancelled active constituent, cancelled product, or product bearing a cancelled label.

It is an offence to possess, have custody of, use, or otherwise deal with the cancelled active constituents, cancelled products or products bearing the cancelled label listed in Table 8 in a manner that contravenes the above instructions.

## Notice of end of registration of chemical products

Pursuant to section 47C of the *Agricultural and Veterinary Chemical Code* scheduled to the *Agricultural and Veterinary Chemical Code Act 1994* (the **Agvet Code**), the APVMA hereby gives notice that the product registrations in Table 9 (**product registrations**) have ended without being renewed.

### Date registration has ended

The product registrations ended on 1 July 2025. The products are no longer registered under the Agvet Code (**unregistered products**).<sup>1</sup>

### Instructions for possessing, having custody of or using the unregistered products

A person may use the unregistered products in accordance with their respective label instructions, including any conditions relating to shelf life or expiry date, until 30 June 2026.

A person may supply, or cause to be supplied, at wholesale or retail level, the unregistered products until 30 June 2026.

A person may possess or have custody of, the unregistered products, with the intention of supplying them, until 30 June 2026.

A person may not manufacture or import the unregistered products from 1 July 2025 onwards.

### Permit taken to have been issued

Pursuant to subsection 47D(2) of the Agvet Code, a person who possesses, has custody of, or uses the unregistered products in accordance with the above instructions, is taken to have been issued with a permit to do so until either of the earliest of:

- a) 30 June 2026 (being 1 year after the day on which the registration ended); or
- b) The APVMA, by notice published in the Gazette, declares that subsection 47D(2) of the Agvet Code ceases to apply in respect of the specified unregistered product.

The permit taken to have been issued under s 47D(2) does not authorise a person to manufacture or import the unregistered product (subsection 47D(3)).

### Warning – consequences for failure to comply with the above instructions

#### *Potential contraventions under section 47E of the Agvet Code*

From the date this notice is published, section 47E of the Agvet Code applies to a person that has possession or custody of an unregistered product with the intention of supplying it.

The person must not possess, have custody of or otherwise deal with the product, except in accordance with the instructions outlined above: subsection 47E(2).<sup>2</sup>

---

<sup>1</sup> The approval of the labels for containers for the unregistered products also ends as at 1 July 2025: subsection 47(4) of the Agvet Code.

<sup>2</sup> Subsection 47E(2) does not apply to a possession, custody or dealing if the product was registered when the possession, custody or dealing took place because of its having been registered or having become reserved after its previous registration ended: subsection 47E(3).

A person commits an offence if the person contravenes subsection 47E(2) (penalty: 300 penalty units).<sup>3</sup>

Evidently, it will be an offence against subsection 47E(2) if a person possesses or has custody of an unregistered product, with the intention of supplying it, after 30 June 2026. It will also be an offence to supply, or cause to be supplied, at wholesale or retail level, the unregistered products, after 30 June 2026

A person may also be liable to a civil penalty for a contravention of subsection 47E(2).

#### *Potential contraventions under section 78 of the Agvet Code*

Subsection 78(1) provides that a person must not supply, or cause or permit to be supplied, a chemical product that is not a registered chemical product or a reserved chemical product unless:

- a) the supply is authorised by a permit; or
- b) the product is exempted by the APVMA from the operation of this section.

A person commits an offence if the person contravenes subsection 78(1) (penalty: 300 penalty units).<sup>4</sup>

A person may also be liable to a civil penalty for a contravention of subsection 78(1).

Evidently, it could also be an offence to: (i) supply the unregistered products prior to 30 June 2026 other than in accordance with the above instructions; or (ii) supply the unregistered products after 30 June 2026 or a notice is published in the Gazette under subsection 47D(2)(b) to declare that subsection 47D(2) does not apply to product (i.e., when the abovementioned permit taken to have been issued must expire).
