Sold by Agricultural Retailers in NSW, VIC and SA only  
between 19/01/2025 to 10/07/2025

On 10/07/2025, ADAMA Australia Pty Ltd (ACN 050 328 973) initiated a voluntary recall under section 106 of the Agricultural and Veterinary Chemicals Code scheduled to the *Agricultural and Veterinary Chemicals Code Act 1994* (Cth) in relation to the chemical product described above.

### Reason for voluntary recall:

The presence of crystals following extended exposure to cold conditions has been detected in some batches of 20 L LEOPARD 200 Herbicide which may cause handling issues and blockages in application equipment but should not present any crop safety concern.

### Hazard:

The sediment formed by the crystals may impact the expected performance of LEOPARD 200 Herbicide and may lead to equipment blockages during application.

### What to do:

DO NOT use the product if the batch number is 56028, 56029, 56030, 56031, 56297, 56298, 56299, 56300, 56301, 56302, 56303, 56304, 56563, 56625 or 56626. Quarantine unopened or partially used containers of LEOPARD 200 Herbicide from the affected batches and contact ADAMA Australia for instructions for collection and refund.

### For further information

Please direct all calls and any queries concerning this voluntary recall to  
ADAMA Australia – (02) 9431 7800
