Sold by veterinary wholesalers in all states and territories of Australia between  
27/06/2024 to 15/07/2025

On 15/07/2025, Abbey Laboratories Pty Ltd (ABN 96 156 000 430) initiated a voluntary recall under section 106 of the Agricultural and Veterinary Chemicals Code scheduled to the *Agricultural and Veterinary Chemicals Code Act 1994* (Cth) in relation to the chemical product described above.

### Reason for voluntary recall:

The voluntary recall for the above-mentioned batches has been initiated due to presence of crystals in the product.

### Hazard:

The defect in the above-mentioned batches may result in a lack of safety and efficacy and present risks to animal health.

### What to do:

Cease use of TetraMax LA 300 injections from above-mentioned batches immediately. Wholesalers and end users should immediately quarantine all the stock on hand of the recalled product and contact Abbey Laboratories to arrange return and credit.

### For further information

Please direct all calls and any queries concerning this voluntary recall to Abbey Laboratories on
