Sold by Bunnings in all States and Territories between 01/01/2024 to 07/10/ 2025

On 07/10/2025, Pascoe's Pty Ltd (ACN 055 220 463) initiated a voluntary recall under section 106 of the Agricultural and Veterinary Chemicals Code scheduled to the *Agricultural and Veterinary Chemicals Code Act 1994* (Cth) in relation to the chemical product described above.

### Reason for voluntary recall:

A number of bottles were found to be leaking due to incomplete seal.

### Hazard:

The product causes skin irritation when it comes in contact with skin. There is a risk of accidental skin contact with the product from inadvertent spillage due to incompletely sealed bottles.

### What to do:

The leaking product was identified pre-purchase at 1 store only, though as a precaution, ALL Stock has been withdrawn from sale until 100% of bottles are checked. Quarantine stock in hand and contact Pascoe's for replacement stock.

Any purchased product that is in use by the customer need not be returned, as the product itself has not been affected.

### For further information

Please direct all calls and any queries concerning this voluntary recall to:
