

Agvet chemical voluntary recall

Dermcare Permaxin Insecticidal Spray and Rinse Concentrate for Dogs and Horses

APVMA registration number: 36713

APVMA approved label number: 128153

Batch numbers: D0224 (1 L), D0232 (250 mL), D0245 (1 L)

Sold by Dermcare-Vet Pty Ltd in Queensland, Victoria, New South Wales, South Australia, Western Australia and Tasmania between 17/02/2025 to 27/05/2026

On 25/05/2026, Dermcare-Vet Pty Ltd, (ABN 60 010 280 010) initiated a voluntary recall under section 106 of the Agricultural and Veterinary Chemicals Code scheduled to the *Agricultural and Veterinary Chemicals Code Act 1994* (Cth) in relation to the chemical product described above.

Reason for voluntary recall:

Testing of the above-mentioned batches has shown that the active ingredient (permethrin) is below the approved specification after 18 months. As a result, the product may not provide the expected level of insecticidal control.

Hazard:

The out-of-specification batches may present a risk to the efficacy of the product.

What to do:

Instructions on how to identify and manage affected batches:

1. If in possession of one of the noted batches, DO NOT use the product.
2. Any person in possession of an affected batch should isolate the container, and place it in quarantine, then return to your place of purchase for a refund / replacement.

For further information

Please direct all calls and any queries concerning this voluntary recall to Dermcare-Vet Customer Service on 07 3387 9700, or email dermcare@dermcare.com.au
